## The Miracles at St. Mark's

### The Miracles, that is.

The Miracles is the Baddour Center's (Senatobia, MS) nationally recognized choir. Their ministry is to glorify God. They travel across the United States to express their faith through music, bridge additional barriers that may exist towards adults with intellectual disabilities, and share the mission and ministry of the Baddour Center.

Residents audition to be one of 24 choir members who attend mandatory practices weekly, travel an average of 16,000 miles annually, and perform approximately 90 concerts.

A love offering will be taken for them, and CDs will be available for purchase.
